KIWANIS CAMP AT GLEN HARBOUR

The Kiwanis camp at Glenharbour, on Last Mountain Lake, which our club has maintained for youth since 1931 has been sold to a local resident who plans to continue operating the facility as a camp.

KIWANIS BUILDERS CLUB

Lakeview School Builders Club has been re-established. They will soon join us at our regular noontime meeting at the Regina Inn so we can welcome them into the Kiwanis Family.

KIWANIS VALENTINE'S DAY SPECIAL

Trevor Quinn reports:

Here's a bit about the Applause Theatre deal.

The consensus among those of us who will be hanging out in Regina on Valentine's Day appears to be a gathering with our mates at the Applause Feast & Folly Theatre at the Regina Inn. They don't usually have a show on Monday evenings, but they're doing a special performance that night for the Regina K-40 Club. There's lots of room for more people, so if you know someone - friend or neighbour - who would like to join in the fun, invite them to come along. We are able to access the same deal offered to K-40 - that is \$32.00 each instead of the \$40.00 after Feb. 1st.

The play is called "The Dating Derby" and it works around a lot of music from the 50's and 60's. It's a two act musical comedy. The performers also serve the meals at the tables. It should be a fun evening. So far, .9 people have signed up. Trev has suggested to the organizers that we'll probably have about two dozen people there, so please get in touch with him (585 0315) as soon as possible to let him know whether or not you - and perhaps some of your friends - will be coming. Bring cash for the tickets on Monday if you can.

KIWANIS ANNUAL MAYOR'S BANQUET

[Morley Evans](#) has tickets for this event in January which is sponsored by the Kiwanis Club of Wascana (\$30). You may not be aware of this, but Regina's very own mayor, Pat Fiacco, was a boxing judge this past summer at the Athens Olympics! NO KIDDING. You can ask him about this!

KIWANIS CLUB OF REGINA WEBSITE

If you explore our website you will find several new features have been added this month:

Our historic [KIWANIS CLUB CHARTER](#)

The [Kiwanis Waterfall Park](#)

The [Kiwanis Camp at Glen Harbour](#)

KIWANIS CHARTER

Steps have been taken to ensure that if we are hit by earthquake, volcanic ash plume, tornado, forest fire, tsunami, hurricane or bubonic plague, we might not survive, but our HISTORIC CHARTER will, in all likelihood, live on, forever. Extraordinary measures have been taken:

- several duplicates have been made and are in several hands
- one duplicate has been matted and framed behind plexiglass for display
- Trevor Quinn has had a custom box handcrafted from exotic woods to protect the display CHARTER
- a high resolution TIFF scan has been made and burned to several CDs and stored in several places
- the scanned image has been installed on our [website](#) server in Chicago, IL
- finally, the original HISTORIC CHARTER has been delivered to the conservator, Brenda Smith, at the Norman MacKenzie Gallery. She will rescue the artifact from the eight and a half decades of neglect and abuse it has endured while it was in our hands. We will then donate it to the **Saskatchewan Archive** where it will be kept safe *as long as there are people*. If only we could look after ourselves as well as this.

KIWANIS PHOTO GALLERY

A gallery of photos featuring people at the Camp is being prepared for the website from photos provided by Kiwanian Andy Rausch and by Brenda Gartner of the Girl Guides. If you have more photos you would like to share [let me know](#). YOU can become immortal: publish on the web!

KIWANIS CLUB OF REGINA BULLETIN

The mysterious numbering system used for the BULLETIN means this: The YEAR of each BULLETIN is called the VOLUME. Each BULLETIN published is an ISSUE. The Kiwanis Club of Regina was CHARTERED on 11 March 1919, so we are in our 85th year until 11 March 2005. Then we will be in our 86th year and BULLETINS will be numbered VOL 86. If one BULLETIN were published each month, they would be numbered ISSUE 1 to 12, respectively. If a special issue were made in, say, the 9th month, it would be ISSUE 9.1, and so on.
