PRAYERS

Andy Rausch went to the General Hospital this morning (January 9) for his scheduled operation. Sophie would like the club to pray for Andy's successful recovery.

Kiwanis Clubs from across the world will convene this year in Montréal from June 28 to July 2 for the annual International Conference. You can register online this year to save time and aggravation.

RELIEF

NGOs were swamped with donations for the December 2004 tsunami. They have much too much money today. But there is not enough for others in need. The Kiwanis Club of Regina is making a \$1,000 donation to the Salvation Army which has an established mission in Pakistan where people are freezing to death right now! Prayers accompany our gift:
