ROYAL SASKATCHEWAN MUSEUM CELEBRATES CENTENNIAL

Visit their website!

The Museum was formed in 1906 to "secure and preserve natural history specimens and objects of historical and ethnological interest." It was the first museum in Saskatchewan, and the first provincial museum in the three Prairie Provinces. That same year, \$557.70 (approximately \$10,000 today) was set aside for the purchase of "Natural History Specimens."

Keep Up-To-Date:
