CLUB BULLETIN

Monday 20 March 2006

HAPPY BIRTHDAY!

The Kiwanis Club of Regina celebrated its 87th birthday on March 11th! We are continuing the tradition of community service that has been established by the hundreds of Kiwanians that came before us.

Today, we continue to build partnerships with individuals and groups who have made building a better world their avocation.

TODAY: 20 March 2006

Our speaker will be Wayne Birch, South Saskatchewan Community Foundation. This should be very timely, considering the discussion at Tuesday's board meeting when we discussed the future of the Regina Early Learning Centre.

DAFFODIL SALE 2006

Our Daffodil Sale Committee has reported that this was another successful spring for our sellers in the malls and for our partners, the Girl Guides in Regina. A final report will be forthcoming.

BOWLING at WASCANA

There will be bowling for patients this wednesday at the Wascana Hospital. See you there at 6:15 pm!
