# CLUB BULLETIN

Monday 03 April 2006

## SPRING HAS COME!

Contrary to popular opinion, Spring Has Come! This is a good indication of the value of popular opinion which holds at the end of every March that spring has not come and that it never will come. Yet spring comes every year.

## TODAY: 3 April 2006

A SURPRISE is scheduled for some lucky Kiwanian today.  
Program will be announced at the beginning of the meeting.

## REPORTERS ARE NEEDED!

A publication schedule with a deadline of Friday at Midnight is required if news is to be included in this bulletin. Then, members who do not have an Internet connection — or who refuse to use the one they do have — can have news at the meeting on Monday.

Let's support Andy, Henry, Larry, and Carl. Send news to your long-suffering BULLETIN staff before Friday at Midnight. Do it every week!!

## BOARD MEETING

Bob Mowat's house tomorrow at 7:00 pm

## BOWLING at WASCANA

**No Bowling on Wednesday 12 April (Volunteer Appreciation Banquet)**

**NEXT BOWLING:** Wednesday 26 April at the Wascana Hospital.
